MEMORANDUM FOR: Chairman, Security Committee

SUBJECT : A Study of Harassments and Provocations  
Request to Classify Each Paragraph

1. Donald R. Paschal, Navy member of Secom, requested on 16 December that we look at the possibility of classifying the harassment study on a paragraph by paragraph basis. The study is currently classified SECRET/No Foreign Dissem based on original submissions.

2. There are some sections which were written by me and thus are subject to review by you for classification. I have penciled them in on the attached copy of the study. Would you review!

3. If you concur in these classifications, I will prepare a listing and provide it to Paschal and any other interested member.
